

Dear Friend,

Volunteering with LLS doesn't always mean donating or fundraising. As you will see below, we have an option for everyone from logistics support, marketing support, and fundraising support. Please read through the lists of our needs and check off anything you would be able to help with.

Over the next six months, I am happy to help with:

Event Support:

- Executive Committee** – I have some contacts in the business world. I can commit to finding just \$2500 in new sponsorship for 2009. This is a 10 hour commitment that can make a BIG IMPACT.
- Mission Team Member** - I am/know someone who is very connected to the cause and want to see how I can help even more.
- Connector**— Keep me updated via weekly email alerts of companies and people LLS is trying to meet with – I will help connect you with anyone who I may know who can help and open a door .
- Recruiter**- Keep me updated via monthly emails of upcoming events so I can help spread the word.

Logistics:

- Event Planner** to was assist with event logistics with focus on **Expense Reduction** – I can work with staff to streamline expenses, and search for the best deals. I can also help try to get things donated for LLS events.
- Connector**- – Keep me updated via weekly email alerts of companies and people LLS is trying to work with – I will help connect you with anyone who I may know who can help.

Marketing:

- Recruiter** – I would be willing to drop of brochures at 15-20 stores/restaurants/doctors/delis in my neighborhood (would save LLS over \$20K)
- Telerecruiting** – I am/know a telerecruiter who is looking for work and wants to help.
- Media Support** – I can help get some press or PR for LLS over the next six months.

Thank you so much for your time. Your support will make a big difference in the lives of cancer patients.

Sincerely,
The LLS Staff.
