Step 3: Start new post

Select the "Manage Posts" drop down menu and select "New Post".

Step 4: Write your post

Tell why you are walking, talk about your inspiration

Step 5: Add picture

Select the camera icon to add a picture or image

Step 7: Select Your Photo

Now that your photo has been uploaded select it and click "OK"

Step 9: View all posts

Once you save you will be brought back to "Personalize Pages" here you can view how others see your fundraising page

Step 6: Upload new picture

You can use a LLS provided image or upload your own by selecting the "Upload New Photo" button

Step 8: Save Post

Now you are ready to publish. Select the "Save" button or "Save as draft" if you'd like to come back to it without publishing first

Step 10: View your page

Now that you've personalized your page it's time to share it with your friends, family and coworkers
