#### Where is my fundraising page? How do I sign in?

Within a day or two of registering for **Light The Night** (LTN), you'll receive an email containing your **eTools** username and password. This message contains links to the personal fundraising page where you can collect donations and the **eTools** account where you will sign in and customize your page.

If have not received the email, it may have been caught in your spam filter. Just go to <u>http://fundraise.lls.org/login</u>, click the Forgot Password link, and enter the email you provided on your LTN registration form. You can also ask your LTN fundraising partner to resend you the link at any time. If you have more serious technical issues, those can

#### **Fundraising Toolbox Resources**

There are different tabs to choose from once inside your page. One of the most useful ones is the **Fundraising Toolbox**. Here you will find:

- Tips on getting started
- Fundraising ideas
- Helpful documents
- Your local chapter info

## **Customize Your Fundraising Webpage**

Go to the **Fundraising Pages** button at the left of the screen then click **My Page** to edit your text and add photos. Have fun! Post regular updates and add new photos to show off your fundraising efforts.
