

Light The Night & Corporate Engagement 2017

Walk

Take steps to save lives by creating a corporate team. Engage employees in this leadership opportunity to give back to the community. Gather your coworkers, friends, and family to join us at one of our 2017 Walk locations.

Volunteer

With over 10,000 participants we are always looking for an extra hand! Gather a group of coworkers together and volunteer at one of our walks.

Host

Host an event at your company and raise funds for life-saving cancer research and treatments. Anything from Jeans Day, Picnics, Trivia Nights, or Bake Sales.

Executive Leadership: Corporate executives can engage with Light The Night through our Executive Challenge, a professional networking opportunity to join with other executive leaders in our community.
